

Dancing the Night Away—Mitchie High Dance Night

Oh what a night! Last term we held our annual Dance Night where the Mitchie Dance students dazzled us with an amazing night of entertainment. With a sell-out crowd, the audience was definitely not disappointed while watching a variety of acts from our first-time Year 8 performers to our more experienced Year 12 students. They were also astounded by dances from a variety of genres from contemporary to film clip dance and our Leaderbody even amused us (... I mean amazed us) with their stunning classical ballet rendition of Swan Lake.

The night's highlight was no doubt the performance from our surprise guest artists, Michael Jackson returned from the grave to reunite with his brothers, and took us back to the 70's with a Jackson Five favourite!

The evening was a huge success and all the performers should be extremely proud of their professionalism and fabulous performances.

A special thanks to the P&C volunteers for their wonderful service at the canteen, Mr Hunter and the Tech Crew for their professional sound and lighting, our guest performers and especially to the friends and family who came and supported the night once again.

We are definitely looking forward to an even better dance night next year!
