

MITCHELTON STUDENT SHINES IN GIRLS CRICKET

MSSH student Sinead in Year 10 has been selected in the Metropolitan North U15 Girls Cricket Team which will be competing in the Queensland Schoolgirl's Championship held in Ipswich in October this year.

This team of 13 was chosen from a strong squad of more than 25 girls, including 2 girls who represented Queensland at the State U15 Championships last year. This type of selection is only our second for the year and it comes after the MSSH Girls Cricket Team was awarded runner's up in the BSGSA Competition, which attracts mainly Private schools in the North Brisbane Region.

Sinead featured heavily this season picking up 3 wickets and amassing 77 runs in only 6 matches. This is a fantastic opportunity for Sinead to display her cricket skills in a highly competitive environment. We wish Sinead all the very best in her preparation over the coming weeks.
