

Mitchelton State High School

Our Vision is to:

Inspire Individual Excellence

Our Purpose is:

"To achieve quality education outcomes by providing a safe, supportive and challenging environment that prepares students for a global future".

In 2018 we will achieve our vision of inspiring individual excellence by focussing on developing a culture of **successful and engaged learners**.

Our commitment to **Successful Learners** will be achieved through the development of:

- a quality Junior Curriculum and Assessment Plan for core subject areas
- sequential units of study in senior subject's areas that align to the new Senior Syllabus

Our commitment to **Engaged Learners** will be achieved through:

- strengthening the implementation of REAP to effectively deliver the curriculum
- a focus on writing in all classrooms
- the promotion of high expectations in all classrooms

Our success will be demonstrated through the achievement of the following targets:

- Aligned and published Junior Curriculum Plan (7-10 inclusive of validated and quality assessment tasks)
- 100 % Teacher collaboration in the preparation of units of work, assessment and resources
- Improved academic data across Year 7 -10 with >85% A-C, >25% A-B in Maths, Science, English and Humanities
- 100% of teachers of senior secondary have undertaken QCAA PD
- All faculties have communicated and documented processes for the review, moderation and validation of assessment and programs
- All teachers undertake peer coaching and mentoring throughout the year
- 100% of teaching staff are active in peer review of assessment and planning
- Improved NAPLAN results with >25% U2B in reading and writing and numeracy
- Improved attendance rates >95% across the school
- Reduction in Student Disciplinary Absences
- Reduction in minor behaviour incidents in OneSchool
