

SCHOOLING A FUTURE GENERATION

Mitchelton State High School offers a range of academic, sporting and cultural activities.

At Mitchelton we:

- Provide a full range of academic subjects
- Provide access to a wide range of extra-curricular programs
- Focus on core literacy and numeracy skills development
- Meet individualised needs through personalised learning programs
- Offer tutorial support for improved learning
- Promote excellence in sport, performing arts and design
- Connect with industry to provide real-world training

- 
- Connect students with school based traineeships and apprenticeships in Years 11 and 12
 - Establish university links and vocational education courses
 - Offer career education and student leadership programs

Queensland's newest Independent School

Our school also offers an inclusive pastoral care program, strong links with Defence families as well as an accredited International Student Program.
