

Brisbane North West

COURSE GUIDE 2026

SKILLS FOR WORK • SKILLS FOR LIFE

Turnbull St, Mitchelton, QLD, 4053 | (07) 3513 9333

2040_bnwttc@eq.edu.au

This information is informed by the postponement of *Career Ready* announced mid-June, 2025.

DTET has not yet provided updated information regarding implementation of *Career Ready* or VETiS for 2026.

BNWTTTC facilitated the delivery of VET qualifications is for students in Years 10, 11 or 12 looking to further their education through additional training in various industries, including: Automotive, Electrical, Engineering, Plumbing & Construction, Aviation, Health, Hospitality, Supply Chain & Food Processing (Logistics), Conservation & Ecosystems, and Business.

[VET in Schools \(VETiS\) program](#)

VETiS is funded by the Department of Trade, Employment, and Training (DTET – previously DESBT), and covers training fees for VET courses that are aligned to jobs and skills in demand, supporting students on a path to employment and further VET opportunities.

Training is delivered by quality-assured funded training providers known as Skills Assure Suppliers (SAS).

[Co-enrolment at Mitchelton State High School](#)

Students enrolling in our courses must co-enrol 0.2 (equivalent of 1 day/week) at Mitchelton State High School, as the lead school for the BNW Trade Training Centre. This ensures activities in the Centre comply with student protection, curriculum activity risk management and other legislated requirements, including One School.

Expressions of Interest

All interested students are required to complete the attached Expression of Interest form (last page) and return to their VET Coordinator, Head of Department or Senior Schooling team as soon as possible.

Please note: places are limited in each course and course commencement and training days are subject to enrolment numbers and availability of trainers

Enquiries

For further course enquiries, please contact BNWTTTC on (07) 3513 9333 or email 2040_bnwttc@eq.edu.au

Brisbane North West Trade Training Centre has a number of courses available to high school students to study on-campus at Mitchelton, during their schooling year in 2026. The following information is a brief outline of available courses and coinciding training information.

*Course commencement is subject to enrolment numbers.
Please note that proposed training days below are subject to change.*

AUTOMOTIVE ✓ VETiS AUR20720 Certificate II in Automotive Vocational Preparation		PATHWAYS
RTO	TBA	This qualification prepares students for entry level roles or Apprenticeships in the Automotive industry, performing tasks relating to identifying and inspecting mechanical and electrical components/ systems of light vehicles, heavy vehicles, outdoor power equipment, marine craft and motorcycles and the minor maintenance and repair of vehicle bodies.
Delivery	1 day per week 4 terms	
Suitability	Years 10, 11	
Training Days	MONDAY, TUESDAY, THURSDAY <i>Subject to enrolments</i>	
Training Hours	8.30am – 2.30pm	
QCE credits	Up to 4 QCE credits available upon completion	

ELECTROTECHNOLOGY ✓ VETiS UEE22020 Certificate II in Electrotechnology (Career Start)		PATHWAYS
RTO	TBA	Certificate II in Electrotechnology can establish a basis for further education and employment, including apprenticeships and traineeships, in the fields of electrical and electronics, engineering, renewable energy, refrigeration and air-conditioning and computer aided design operators.
Delivery	1 day per week 4 terms	
Suitability	Years 10, 11	
Training Days	FRIDAY <i>Subject to enrolments & trainer availability</i>	
Training Hours	8.30am – 2.30pm	
QCE credits	Up to 4 QCE credits available upon completion	

ENGINEERING ✓ VETiS MEM20422 Certificate II in Engineering Pathways		PATHWAYS
RTO	TBA	This qualification delivers broad-based underpinning skills and knowledge in a range of engineering and manufacturing tasks which will enhance entry-level employment prospects for apprenticeships, traineeships or general employment in an engineering-related workplace.
Delivery	1 day per week 4 terms	
Suitability	Years 10, 11	
Training Day	THURSDAY <i>Subject to enrolments</i>	
Training Hours	8.30am – 2.30pm	
QCE credits	Up to 4 QCE credits available upon completion	

PLUMBING ✓ VETiS 11054NAT Certificate II in Plumbing Services		PATHWAYS
RTO	TBA	Certificate II in Plumbing Services can establish a basis for further education and employment as an apprentice Plumber, Gas Fitter, Roof Plumber, or Plumber (Mechanical Services). In addition to completing qualification and unit requirements, students must complete a minimum of 80 Hours of Work Placement within the Plumbing Industry. NOTE: Vocational Placement will require extensive time commitment.
Delivery	1 day per week 5 terms	
Suitability	Years 10, 11	
Training Days	FRIDAY <i>Subject to enrolments & trainer availability</i>	
Training Hours	8.30am – 3.00pm + 80hrs of Vocational Placement	
QCE credits	Up to 4 QCE credits available upon completion	

CONSTRUCTION ✓ VETiS CPC10220 Certificate I in Construction		PATHWAYS
RTO	TBA	This course introduces students to the construction industry. The units of competency cover essential WHS requirements and basic use of tools and materials. The qualification is built around a basic construction project unit that integrates the skills and embeds the facets of employability skills in context.
Delivery	1 day per week 4 terms	
Suitability	Years 10, 11, 12	
Training Days	FRIDAY <i>Subject to enrolments & trainer availability</i>	
Training Hours	8.30am – 3.00pm	
QCE credits	Up to 3 QCE credits available upon completion	

AVIATION		PATHWAYS
AVI30419 Certificate III in Aviation (Remote Pilot)		Students learn how to safely and compliantly fly remote piloted aircraft systems (drones) to Civil Aviation Safety Authority (CASA) Standards, with the opportunity to acquire their CASA Remote Pilot Licence (optional) upon completion*. Students will be qualified and licenced to enter the exciting world of RPAS operation, in sectors such as public safety and emergency services, aerial surveying, resource sectors, real estate, and photography. * 7kg licence included, up to 25kg additional cost TBA
RTO	TBA	
Delivery	1 day per week 4 terms	
Suitability	Years 10, 11, 12	
Training Day	TUESDAY <i>Subject to change, enrolments and trainer availability</i>	
Training Hours	8.30am – 12.30pm	
QCE credits	Up to 6 QCE credits available upon completion	

BUSINESS		FEE FOR SERVICE	PATHWAYS
BSB50120 Diploma of Business			This comprehensive course is designed for future business leaders and entrepreneurs. Students will discover how to develop and implement successful business and marketing plans; lead teams; manage meetings and projects; identify and pursue business opportunities and work effectively alongside others.
RTO	TBA		
Delivery	1 day per week 6 terms		
Suitability	Year 11 entry		
Training Day	MON, TUES, THURS <i>Subject to enrolments and trainer availability</i>		
Training Hours	8.30am – 2.30pm		
VETIS Funding	× NO Course cost: \$2800 <i>payment plans available</i>		
QCE credits	Up to 8 QCE credits available upon completion		

CONSERVATION & ECOSYSTEMS		✓ VETiS	PATHWAYS
AHC21024 Certificate II in Conservation & Ecosystem Management			The qualification enables individuals to select and develop basic factual, technical and procedural knowledge in conservation and ecosystem management for Indigenous land management, lands, parks and wildlife services and the restoration and rehabilitation of ecosystems.
RTO	TBA		
Delivery	1 day per week 2 terms		
Suitability	Years 10, 11 & 12		
Training Day	TBA		
Training Hours	8.30am – 2.30pm		
QCE credits	Up to 4 QCE credits available upon completion		

HEALTH		✓ VETiS	PATHWAYS
HLT23221 Certificate II in Health Support Services			Certificate II in Health Support Services provides the foundational knowledge for students to use as a basis for further study, education and employment in the fields of nursing, medical administration, ward/hospital orderly, pathology courier, support services worker, assistant in nursing (AIN), patient service attendant, and operating theatre technician.
RTO	TBA		
Delivery	1 day per week TBA		
Suitability	Years 10, 11 & 12		
Training Days	THURSDAY, FRIDAY <i>Subject to change</i>		
Training Hours	8.30am – 2.30pm		
QCE credits	Up to 4 QCE credits upon completion		

HEALTH		FEE FOR SERVICE	PATHWAYS
HLT33115 Certificate III in Health Services Assistance			Certificate III in Health Services Assistance provides you with the skills required to work at an entry level position within a variety of health services assistance roles in the fields listed above in Cert II. During this qualification, you will increase your skills in the area of infection prevention, healthy body systems, working with the elderly and transporting clients, as well as First Aid and WHS.
RTO	TBA		
Delivery	1 day per week TBA		
Suitability	Years 10, 11 & 12		
Training Days	TUESDAY, WEDNESDAY <i>Subject to change</i>		
Training Hours	8.30am – 2.30pm		
VETIS Funding	× NO Course cost: \$475 for continuing students <i>subject to change</i>		
QCE credits	Up to 2 additional QCE credits upon completion		

SUPPLY CHAIN		✓ VETiS	PATHWAYS
TLI20421 Certificate II in Supply Chain Operations			Employment as a forklift operator, logistics officer or clerk, or warehouse store person. The Strategix Academy delivers topics relevant to current warehousing trends, including stock control, supply chain operations and food processing skills. Skilled staff continue to be in demand as this industry expands and grows.
RTO	TBA		
Delivery	1 day per week 2 terms		
Suitability	Years 10, 11 & 12		
Training Day	FRIDAY <i>Subject to change</i>		
Training Hours	8.30am – 2.30pm		
QCE credits	Up to 6 QCE credits available upon completion		

RTOs to be advised prior to Term 4, 2025 after the Skills Assured Supplier process through DTET

AUTOMOTIVE

Qualification: **AUR20720 Certificate II in Automotive (Vocational Preparation)**

Course Duration: **4 Terms / 1 day per week (during school term)**

QCE Points: **Up to 4 QCE credits available**

Career Pathway

This qualification reflects the role of individuals who perform a limited range of tasks relating to identifying and inspecting mechanical and electrical components and systems of light vehicles, heavy vehicles, outdoor power equipment, bicycles, marine craft and motorcycles. This qualification also covers the skills and knowledge required to perform minor maintenance and repair of an automotive vehicle body. It prepares them for entry level roles or Apprenticeships. The range of technical skills and knowledge is limited.

Units of Competency

Effective: July 2025

Code	Unit of Competency	Core / Elective
AURAEA002	Follow environmental and sustainability best practice in an automotive workplace	Core
AURAF103	Communicate effectively in an automotive workplace	Core
AURAF104	Resolve routine problems in an automotive workplace	Core
AURASA102	Follow safe working practices in an automotive workplace	Core
AURETR103	Identify automotive electrical systems and components	Core
AURLTA101	Identify automotive mechanical systems and components	Core
AURTTK102	Use and maintain tools and equipment in an automotive workplace	Core

+ 6 Electives

Electives determined by RTO

RTOs are currently undergoing Skills Assured Supplier accreditation, and will be announced before Term 4, 2025

Need further information?

Phone: (07) 3513 9333
 Email: 2040_bnwttc@eq.edu.au
 Website: www.bnwttc.eq.edu.au

ELECTROTECHNOLOGY

Qualification: UEE22020 Certificate II in Electrotechnology (Career Start)

Course Duration: 4 Terms / 1 day per week (during school term)

QCE Points: Up to 4 QCE credits available

Career Pathway

This qualification covers competencies for work entry programs providing grounding in safety and basic skills and knowledge for work in any electrotechnology discipline. Successful completion of the course will provide students with a range of basic skills (including the safety processes required to work on-site), preparing them for Apprenticeships.

Units of Competency

Effective: July 2025

Code	Unit of Competency	Core / Elective
CPCCWHS1001	Prepare to work safely in the construction industry	Core
UEECD0007	Apply work health and safety regulations, codes and practices in the workplace	Core
UEECD0009	Carry out routine work activities in an energy sector environment	Core
UEECD0021	Identify and select components, accessories and materials for energy sector work activities	Core
UEECD0038	Provide solutions and report on routine electrotechnology problems	Core
UEECD0046	Solve problems in single path circuits	Core
UEECD0052	Use routine equipment/plant/technologies in an energy sector environment	Core
UEERE0021	Provide basic sustainable energy solutions for energy reduction in residential premises	Core
5 Elective units		

Electives determined by RTO

RTOs are currently undergoing Skills Assured Supplier accreditation, and will be announced before Term 4, 2025

Need further information?

Phone: (07) 3513 9333
 Email: 2040_bnwttc@eq.edu.au
 Website: www.bnwttc.eq.edu.au

ENGINEERING

Qualification: MEM20422 Certificate II in Engineering Pathways

Course Duration: 4 Terms / 1 day per week (during school term)

QCE Points: Up to 4 QCE credits available

Career Pathway

This qualification delivers broad-based underpinning skills and knowledge in a range of engineering and manufacturing tasks which will enhance entry-level employment prospects for apprenticeships, traineeships or general employment in an engineering-related workplace (fitting and turning, diesel fitting, welding, fabrication etc).

Achievement of competence in units *MEM13015 Work safely and effectively in manufacturing and engineering*, *MEM16006 Organise and communicate information*, *MSMENV272 Participate in environmentally sustainable work practices*, *MEM18001 Use hand tools*, *MEM18002 Use power tools/hand held operations*, *MEM11011 Undertake manual handling* will provide credit towards a range of manufacturing and engineering trade and production qualifications.

Achievement of competence in all of the other units will provide advanced progress towards reaching competence in units contained in other metal and engineering qualifications.

Units of Competency

Effective: July 2025

Competency code	Competency title	Core / Elective
MEM13015	Work safely and effectively in manufacturing and engineering	Core
MEMPE005	Develop a career plan for the engineering and manufacturing industries	Core
MEMPE006	Undertake a basic engineering project	Core
MSMENV272	Participate in environmentally sustainable work practices	Core
8 Elective units		

Electives determined by RTO

RTOs are currently undergoing Skills Assured Supplier accreditation, and will be announced before Term 4, 2025

Need further information?

Phone: (07) 3513 9333
 Email: 2040_bnwttc@eq.edu.au
 Website: www.bnwttc.eq.edu.au

PLUMBING

Qualification: 11054NAT Certificate II in Plumbing Services

Course Duration: 4 Terms / 1 day per week (during school term)

QCE Points: Up to 4 QCE points available

Career Pathway

This qualification covers competencies for work entry programs in the Plumbing industry, providing grounding in safety and basic skills and knowledge. Successful completion of the course will provide students with a range of basic skills (including the safety processes required to work on-site), preparing them for Apprenticeships.

Units of Competency

Effective: July 2025

Code	Unit of Competency	Core / Elective
CPCWHS1001	Prepare to work safely in the construction industry	Core
CPCCWHS2001	Apply WHS requirements, policies and procedures in the construction industry	Core
CPCCOM1012	Work effectively and sustainably in the construction industry	Core
CPCCOM1013	Plan and organise work	Core
CPCPCM2043	Carry out WHS requirements	Core
CPCPCM2041	Work effectively in the plumbing services sector	Core
HLTAID011	Provide First Aid	Core
CPCPCM2039	Carry out interactive workplace communication	Core
CPCPCM2045	Handle and store plumbing materials	Core
CPCPCM2047	Carry out levelling	Core
CPCCCM2008	Erect and dismantle restricted height scaffolding	Core
CPCPCM2048	Cut and join sheet metal	Core
CPCCCM2012	Work safely at heights	Core
CPCPCM2055	Work safely on roofs	Core
CPCPCM2046	Use plumbing hand and power tools	Core
ASBAWA201	Practice asbestos awareness in the construction industry	Core
CPCCOM1015	Carry out measurements	Elective
CPCPCM2052	Weld mild steel using oxyacetylene equipment	Elective
1 Elective unit - Electives determined by RTO		

RTOs are currently undergoing Skills Assured Supplier (SAS) accreditation, and will be announced before Term 4, 2025; dual qualification course dependent on announcement of SAS.

CONSTRUCTION

Qualification:	CPC10120 Certificate I in Construction
Course Duration:	4 Terms / 1 day per week (during school term)
QCE Points:	Up to 3 QCE points available

Career Pathway

This qualification provides an introduction to the construction industry, its culture, occupations, job roles and workplace expectations. The units of competency cover essential work health and safety requirements, the industrial and work organisation structure, communication skills, work planning, and basic use of tools and materials. The qualification is built around a basic construction project unit that integrates the skills and embeds the facets of employability skills in context

Units of Competency

Effective: July 2025

Code	Unit of Competency	Core / Elective
CPCWHS1001	Prepare to work safely in the construction industry	Core
CPCCWHS2001	Apply WHS requirements, policies and procedures in the construction industry	Core
CPCCOM1012	Work effectively and sustainably in the construction industry	Core
CPCCOM1013	Plan and organise work	Core
CPCCCM2004	Handle construction materials	Core
CPCCCM2005	Use construction tools and equipment	Core
CPCCCM1011	Undertake basic estimation and costing	Core
CPCCVE1011	Undertake a basic construction project	Core
3 Elective unit - Electives determined by RTO		

RTOs are currently undergoing Skills Assured Supplier (SAS) accreditation, and will be announced before Term 4, 2025; dual qualification course dependent on announcement of SAS.

AVIATION

Qualification: AVI30419 Certificate III in Aviation (Remote Pilot)

Course Duration: 4 Terms / 1 day per week (during school term)

QCE Points: 6 QCE credits available

Career Pathway

This qualification is an excellent entry point into the aviation industry. It will provide you with the skills and knowledge to fly RPAS compliantly and safely, and, should you choose, licence you to operate RPAS commercially. Upon successful completion of this qualification, there are a number of career pathways including photography / cinematography, public safety and emergency services, aerial surveying, mining and resource sectors, Federal, State and Local Government agencies and specialist civil roles.

Course includes up to 7kg remote pilot licence, and students can pursue up to 25kg licence (additional charge TBA).

Units of Competency

Effective: July 2025

Code	Unit of Competency	Core / Elective
AVIF0021	Manage human factors in remote pilot aircraft systems operations	Core
AVIH0006	Navigate remote pilot aircraft systems	Core
AVIW0028	Operate and manage remote pilot aircraft systems	Core
AVIW0004	Perform operational inspections on remote operated systems	Core
AVIY0052	Control remote pilot aircraft systems on the ground	Core
AVIY0023	Launch, control and recover a remotely piloted aircraft	Core
AVIY0053	Manage remote pilot aircraft systems energy source requirements	Core
AVIY0031	Apply the principles of air law to remote pilot aircraft systems operations	Core
AVIZ0005	Apply situational awareness in remote pilot aircraft systems operations	Core
AVIE0005	Complete a Notice to Airmen (NOTAM)	Core
4 Elective units		

Electives determined by RTO

RTOs are currently undergoing Skills Assured Supplier accreditation, and will be announced before Term 4, 2025

Need further information?

Phone: (07) 3513 9333
 Email: 2040_bnwttc@eq.edu.au
 Website: www.bnwttc.eq.edu.au

Qualification:	BSB50120 Diploma of Business
RTO:	Axial Training (RTO No: 2437)
Course Duration:	6 Terms / 1 day per week (during school term)
Cost (Not VETiS funded):	\$2,800 <i>TBC</i>
QCE Points:	Up to 8 QCE credits available

Career Pathway

This comprehensive Business course is designed for future business leaders and entrepreneurs. This qualification is suited to students who are ready to develop their supervisory, decision-making and problem-solving skills across a range of business functions. Throughout their studies in this course, students will discover how to develop and implement successful business, project and marketing plans; lead teams and manage meetings and projects; identify and pursue business opportunities and work effectively alongside others in the workplace.

Possible employment pathways include:

- Small business or start-up owner / Entrepreneur
- Executive Officer / Administrator
- Business Development Manager / Project Coordinator / Project Consultant
- Business Sales Team Leader

Units of Competency

Effective: April 2025

Competency code	Competency title	Core / Elective
BSBCRT511	Develop critical thinking in others	Core
BSBFIN501	Manage budgets and financial plans	Core
BSBOPS501	Manage business resources	Core
BSBSUS511	Develop workplace policies and procedures for sustainability	Core
BSBXCM501	Lead communication in the workplace	Core
BSBPMG430	Undertake project work	Elective
BSBTWK503	Manage meetings	Elective
BSBTWK502	Manage team effectiveness	Elective
BSBMKG541	Identify and evaluate marketing opportunities	Elective
BSBHRM525	Manage recruitment and onboarding	Elective
BSBMKG555	Write persuasive copy	Elective
BSBPEF401	Manage personal health and wellbeing	Elective

CONSERVATION & ECOSYSTEMS

Qualification: AHC21024 Certificate II in Conservation & Ecosystem Management

Course Duration: 2 Terms / 1 day per week (during school term)

QCE Points: Up to 4 QCE points available

Career Pathway

This qualification provides the skills and knowledge required for work in a defined context and/or for further study in conservation and ecosystem management. Work would be carried out under general guidance and supervision. The qualification enables individuals to select and develop basic factual, technical and procedural knowledge in conservation and ecosystem management for Indigenous land management, lands, parks and wildlife services and the restoration and rehabilitation of ecosystems.

Units of Competency

Effective: July 2025

Code	Unit of Competency	Core / Elective
AHCWHS201	Participate in work health and safety processes	Core
AHCWRK209	Participate in environmentally sustainable work practices	Core
13 Elective units		

Electives determined by RTO

RTOs are currently undergoing Skills Assured Supplier accreditation, and will be announced before Term 4, 2025

HEALTH

- Qualification:** HLT23221 Certificate II in Health Support Services
- Course Duration:** TBA, determined by RTO / 1 day per week (during school term)
- QCE Points:** Up to 4 QCE credits available

Career Pathway

This qualification provides valuable experience in the healthcare environment for those students wanting to go onto further study – particularly in the field of medicine, nursing, midwifery, paramedicine or allied health. The qualification and experience will be an asset in students’ preparation for entrance interviews and tertiary course applications. It will also provide students with the qualifications to work in the healthcare sector, whilst undertaking higher tertiary study. Students will also develop an understanding of medical terminology, anatomy, communication and team work and establish a solid foundation on which to build their healthcare career.

Students who start out with a Certificate II in Health Support Services and then pathway to the Certificate III in Health Services Assistance may work under supervision in direct contact with patients in a number of roles including: assistant in nursing; patient care attendant; orderly wards person.

Units of Competency

Effective: July 2025

Code	Unit of Competency	Core / Elective
CHCCOM005	Communicate and work in health or community services	Core
HLTINF001	Comply with infection prevention and control policies and procedures	Core
HLTWHS001	Participate in workplace health and safety	Core
CHCDIV001	Work with diverse people	Core
8 Elective units		

Electives determined by RTO

RTOs are currently undergoing Skills Assured Supplier accreditation, and will be announced before Term 4, 2025

Need further information?

- Phone: (07) 3513 9333
 Email: 2040_bnwttc@eq.edu.au
 Website: www.bnwttc.eq.edu.au

Qualification:	HLT33115 Certificate III in Health Services Assistance
Course Duration:	TBA, advised by RTO / 1 day per week (during school term)
Course Fee:	\$475 for continuing students who have completed Cert II HSS with Strategix Please contact us regarding fees for non-Strategix students
QCE Points:	up to 2 QCE additional credits available (6 QCE Credits Cert II HSS & Cert III HSA)

Career Pathway

This qualification provides valuable experience in the healthcare environment for those students wanting to go on to further study – particularly in the field of medicine, nursing, midwifery, paramedicine or allied health. The qualification and experience will be an asset in students’ preparation for entrance interviews and tertiary course applications. It will also provide students with the qualification to work in the healthcare sector, whilst undertaking higher tertiary study. Students will also develop an understanding of medical terminology, anatomy, communication and team work and establish a solid foundation on which to build their healthcare career.

Students who start out with a Certificate II in Health Support Services have the opportunity to continue their studies with this qualification. This progression allows students to continue their study pathway whilst preparing them to work within the Australian Health System in a range of health services roles from hospital attendance, transporting and assisting patients, nursing assistant roles and assisting with nursing work in an acute care environment.

Units of Competency

Effective: July 2025

Code	Unit of Competency	Core / Elective
BSBMED301	Interpret and apply medical terminology appropriately	Core
BSBWOR301	Organise personal work priorities and development	Core
CHCCOM005	Communicate and work in health or community services	Core
CHCDIV001	Work with diverse people	Core
HLTAAP001	Recognise healthy body systems	Core
HLTINF006	Apply basic principles and practices of infection prevention and control	Core
HLTWHS001	Participate in workplace health and safety	Core
8 Elective units

SUPPLY CHAIN OPERATIONS

Qualification/s: TLI20421 Certificate II in Supply Chain

Course Duration: 2 Terms / 1 day per week (during school term)

QCE Points: Up to 6 QCE credits available

Career Pathway

Warehousing, food processing and supply chain operations are vital to the Australian economy and skilled staff are currently in high demand as this industry expands and grows. These qualifications will help to kick start students' careers and expand job prospects in this vital industry. The qualification is informative and practical and includes topics relevant to current supply chain operations support, warehousing trends and key food processing skills. These courses help students to gain an accredited qualification alongside practical skills and knowledge that will assist them in obtaining employment in the below outlined job roles.

Job roles: depot yard person, despatch clerk, pick packer, forklift driver, store person, warehouse operator and employment in food sectors including grocery products, poultry, baking, retail baking, beverages, grain processing and fruit and vegetables.

Units of Competency

Effective: July 2025

Code	Units of Competency <i>(including units from both qualifications)</i>
TLIE1003	Participate in basic workplace communication
TLIX0023	Identify the roles and functions of the supply chain industry
TLIF0009	Ensure the safety of transport activities (Chain of Responsibility)
TLIF1001	Follow work health and safety procedures
TLIL1001	Complete workplace orientation / induction procedures
9 Elective units	

Electives determined by RTO

RTOs are currently undergoing Skills Assured Supplier accreditation, and will be announced before Term 4, 2025

Students undertaking courses at the Trade Training Centre gain skills using a range of tools and equipment whilst undertaking learning tasks. Some equipment has inherent high-risk levels such as the Metal Bandsaw, Cold Saw, Drill Press, Mill Drill, Pedestal Grinder, Metal Lathe, Milling Machine, Mig Welder, Electric Arc Welder, Oxy Acetylene Welding, Plasma Cutter, Angle Grinder, Circular Saw, Metal Cut-Off Saw and Jigsaw. Parents are advised that the Dept of Education does not have Personal Accident Insurance coverage for students. Education Queensland has public liability coverage for all approved school activities and provides compensation for students only when the Department is negligent. If this is not the case, then all costs associated with injury are the responsibility of the parent/ caregiver. It is a personal decision for parents as to the type and level of private insurance cover for their student (if desired). Courses are funded by the Department of Trade, Employment & Training. Students are eligible to complete one VETiS funded course. For more information speak to the VET Coordinator at your school.
